THERMAL IMAGING SURVEYS

BY INSPECTING THE INSIDE OF A WARMED HOUSE
AND USING A BLOWER DOOR,
DRAUGHTS AND POOR INSULATION CAN BE SEEN.

A VIDEO WITH VERBAL REPORT IS LEFT AND ADVICE IS GIVEN
ON FUTURE ACTIONS TOGETHER WITH INSTALLING AN
ENERGY MONITORING AND ACTION PACK

We are looking for 'Hot Spotters' who will have this service for free, provided they organise ideally 3 or 4 friends or neighbours within 10 minutes travelling time to have their houses surveyed on the same day.

Householders pay £50 (ex.VAT) each for a service worth hundreds of pounds.

*In the Malvern AoNB we have been awarded grants so the service is **FREE!***
