

## **Co-ordinating Group Meeting**

**Minutes of the meeting held at 2pm on Monday 27<sup>th</sup> February 2017 at Greenlink, Malvern**

**Attendance:** Ginny Lee (Chair), Ian Caldwell, Dinah Sage, Robin Coates

### **Apologies**

Pam McCarthy

**Minutes of 16<sup>th</sup> January 2017** were signed as an accurate record.

**Matters arising** are covered elsewhere

### **Treasurers report**

Balance is slightly higher.

### **Worcestershire Local Transport Plan (LTP4)**

Dinah wandered off to talk to some members of Sustrans. They said that they can help local authorities in planning sustainable transport solutions eg working with Worcestershire County Council on Diglis Bridge.

### **Publicity**

Keep putting articles in Hillistic. Robin

### **Website**

The new website will cost just under £40 a year. Ian has asked John Howes to finish transferring the contact name of the domain.

### **Annual Network Meeting**

Robin will contact Jon Halle from Sharenergy to see if he can give a talk in early July.

Venues will need costing.

### **Zero Carbon Britain**

The Centre for alternative Technology has just published "Zero Carbon Britain - Making It Happen" which explores the political and social obstacles to change.

A connected three day course will be run - maybe someone from TMH could attend?

## **Initiatives**

### The Cube

- Developments under discussion include making the car park suitable for the skateboarders to use instead of the hall, and improving disabled facilities. Some fundraising will be needed, some is from S106 money.
- Does the Cube still have a green agenda? Yes, excellent insulation, including triple glazing.
- The Tribe has been taken over by Malvern Youth Project. Funding is being reduced to zero over the next three years, leading to a long-term concern with the level of supervision and the ability of the Cube to serve disadvantaged youngsters.
- The Weekend Cube is taking off.

### Food

- Robin has made contact with someone in Stroud, and needs to arrange a visit

## **AOB**

Ian is in contact with Worcester Energy,

Malvern Community Energy is the only community energy project in Worcestershire.

## **Date of next meeting**

Co-ordinating Group meeting Monday March 13<sup>th</sup> at Greenlink, 11am
