

Notes from Co-ordination Group Meeting

28 June 2017, Greenlink

Present: Ginny Lee, Ian Caldwell, Robin Coates, Susan Amos, Dinah Sage

Does Transition Malvern Hills need a Chairperson?

As TMH is an unincorporated association, there are no regulations which say it has to have a chairperson.

However, TMH needs to have a constitution to be able to hold a bank account and the TMH constitution expects a chairperson.

Ginny agreed to be chairperson for 12 months.

How can we encourage more participation?

Try informal monthly meetings, 11am Greenlink varied days.

Have a topic to talk about. Need a leader, who will take notes if necessary.

These will also act as Co-ordinating Group meetings, if there is business to sort out or support needed for an initiative.

Publicise on TMH website, through links with other groups eg Buttercup, Facebook. notice in Greenlink,
